

Our mission is to break the cycle of domestic abuse by providing crisis intervention, support services, education and advocacy to survivors, their families and the community

A SAFE PLACE WISH LIST 2009

A Safe Place provides free and confidential domestic abuse support services to 47 cities and towns in Strafford and Rockingham counties. We have been offering **hope** to survivors, their families, and your community for 30 years! As a non-profit, we rely on the continued generosity of organizations and people like you.

When you donate gift certificates, you allow survivors and their families to choose what best meets their current and pressing needs. Here are some **suggestions** for items that are always needed.
